The elders at Living Hope Church are charged with overseeing and shepherding people's souls. In order to do a better job, the leadership would like to confidentially survey the congregation to see where people are at in the journey with God and help them grow in their faith. Would you be willing to help us in the important endeavor? If so, please take the survey below. [If necessary, use an extra sheet of paper for your answers.]

NOTE - Your responses will be kept strictly confidential! They will only be shared with the elders of Living Hope.
