

COMMUNITY LIFE

Mark your calendars for our **annual congregational meeting on Sunday, January 31**, following the 10:30 service. The meeting will take place in the sanctuary and will also be live streamed (details on that will be emailed later this month). The meeting will include votes on **this year's budget and nominees, as well as some proposed changes to the bylaws and the Pastoral Transition Plan.**

As you enter 2021, **consider how you might get involved or serve at Living Hope Church.** Whether you are currently attending in person, or worshipping from home, you can **Connect & Serve.** It could be connecting to a small group through a Zoom video conference, or working in children's ministry. Perhaps God is leading you to a prayer ministry. You can **fill out a Connect & Serve card** in the entrance way and put it in the offering box, or you can **call Priscilla Carr (630-301-8975)** and talk to her about the opportunities.

The **LHC Hospitality Ministry** provides food for many different needs in the church—and Kim Norwood would like to update her list of volunteers! If you are willing to help **provide and/or serve food for various church events**, or if you can **bring meals to church families as needs arise**, please call Kim (847-322-2387) or email the church office and let us know how you'd like to serve! *If you are already involved in the ministry but would like to update your service preferences, please let us know that as well.* Thanks!
