Study Buddies is a supervised time for students in our community to study and play. It is available for students K-8th grade.

Students will be seated two to a large table (siblings may sit all together), with tables spaced out in the Fellowship Hall. Due to distancing, students may bring snacks and a water bottle to drink and may take a mask break as necessary. *Please label all water bottles and home items!*

Volunteers will be available for basic questions on Internet access, student needs or study help. Scheduled breaks for the students outside will be offered. Students are encouraged to bring scooters or balls for outside play.

Study Buddies is a weekly option every Tuesday from 12:30 – 3:30 PM. Drop off will begin at 12:00 pm at the back entrance on the lower level. There is no charge. A short health survey and waiver must be filled out. There is no reservation needed, but space is limited to the first 30 students.
